2. Professional Service Insurance Release & Assignment of Benefits

I authorize the release of any medical information necessary to process insurance claims for surgical and/or medical services provided to me or my dependents by Mudgil Eye Associates, P.C. I also authorize payment of benefits directly to Mudgil Eye Associates, P.C., for services provided to my dependents or me. I understand that this authorization may not result in full payment by my insurance carrier for the charges incurred and I agree that I am financially responsible to make payment in full on remaining patient balances should my insurance carrier determine the services I received are not covered. (A photocopy of this authorization shall be considered valid.

3. Insurance

We participate in many insurance plans. If you are not insured by a plan we do business with or do not have an up-to-date insurance card, payment in full is expected at each visit. When you provide us with current and complete information, we bill primary and secondary insurances. Please contact your insurance company with any questions you may have regarding your coverage.

4. Referral

I understand that if my insurance requires a referral from my Primary Care Provider for specialist services and if I do not have the referral at the time of the appointment, and I still choose to receive the services without the required referral, it will be my responsibility to contact my Primary Care Provider's office the same day and obtain the necessary referral, dated for the date of the service. I also accept full financial responsibility for all charges incurred for services received on the day of service, if my insurance carrier denies the claim(s) for lack of and/or invalid referral.

5. Payment

I accept financial responsibility for payments for all services and products received. All co-payments and deductibles must be paid at the time of service. This arrangement is part of your contract with your insurance company. You may pay by cash, check or credit card. There will be \$15 processing fee if copay and/or deductible has to be billed and is not paid at the time of service. I also understand there will be an additional \$25 processing fee for collection accounts and bounced checks for each date of service.

6. Non-Covered Services

Please be aware that some of the services you receive may be non-covered or not considered reasonable or necessary by Medicare or other insurers. An example is Refraction, which is a test required to measure visual acuity and to prescribe lenses. Although an important part of your eye exam, it is excluded from Medicare and many medical insurance plans. We are required to charge your refraction fee separately from your exam. Payment for these services must be paid at the time of your visit.

7. Contacts

Contact lens "fitting" is not included in a complete eye exam; it is a separate procedure with an additional charge. Payment for the "fitting" will be expected at the time of the service.
